REPRESENTATIVES ON THE AABC LTD COMMITTEE

Incorporated Societies/Clubs

Each member Club that is an incorporated body is eligible to nominate two of its members to be its **representatives** on the Committee of the Association.

Societies/Clubs not incorporated

Member Clubs that are not incorporated cannot be a member in their own right but can nominate a **designated officer** of the Club to be the representative member of the Association rather than the Club itself.

General Meetings

The Association generally only has two meetings each year. A General Meeting is held during the seminar in May and the Annual General Meeting is usually held in September. It is not essential that Committee members attend the meetings and Clubs can nominate proxies. If any other decisions are required during the year they are conducted by mail.
